LPG: mechanical therapeutic massage for the treatment of cellulite and skin flaccidity.

MARINE MUD APPLICATION: application of hot marine mud on joints to reduce pain and improve joint mobility as well as cold mud to treat heavy legs and cellulite, reactivating microcirculation and reducing oedema thanks to its draining effect.

MASSAGE 25: therapeutic, relaxing, sports or circulatory massage as per programme or prescription. Duration: 25 minutes.

MASSAGE 40: relaxing body massage. Duration: 40 minutes.

MUSCLE TONING: gym, fitness room, cardiovascular room.

PHLEBITIS CIRCUIT: circuit in seawater pool at 22°C-24°C to activate and improve the bloodstream.

PRANA & DARA MASSAGE: Hindu technique based on essential oils and pressures that help us to obtain a good physical and emotional balance..

PRESS-THERAPY: therapy for tired legs, using leg massagers to stimulate blood circulation through controlled pressures applied on different parts of the body.

SHOWER PRESSURE JETS: thermal technique that applies a seawater pressure jet over the entire body.

SVELT MASSAGE: deep manual massage with draining and lipolytic cosmetics, recommended for cellulite.

Duration: 25 minutes.

UNDERWATER MASSAGE “MARINE THERMAL BATH”: massage with seawater jets at different temperatures and pressures targeting different body parts. Duration: 20 minutes.

General remarks

1. The nutritionist visit is NOT included in half-board programmes.
2. All week-long treatments include a medical consultation at the beginning of the treatment and upon completion, a consultation session with our nutrition expert and our personal trainer, and a basic blood test. The weight loss treatment includes a thorough blood test, as medically prescribed. The remaining stays include a medical questionnaire to be evaluated by the doctor. Treatment therapies are not subject to changes and they are not refundable.
3. Medical visits are scheduled in the morning, from Monday to Saturday. Arriving at the hotel from Sunday to Friday is therefore recommended.
4. MEDICAL CONSULTATIONS for clients who have NOT chosen a programme are charged as per the cost published in our brochure.
5. Treatment therapies are not subject to changes or a refund.
6. Stays can be extended but shortening a stay will be sanctioned.
7. To maximise treatment benefits, a minimum stay of 7 nights is recommended, although treatment effectiveness is proven in line with the specific stay length. 1st week: your body responds; 2nd week: your body adapts; 3rd week: your body makes the most of the treatment. Check our programmes and prices for stays of 14 and 21 nights.
8. Discounts:
Children's discount if room is shared with 2 adults.
Free cot for children aged up to 2.
For children aged 3 to 10, 30 % discount on accompanying guest rate.
10 % discount on accompanying guest rate for the third adult.
Discounts shall not be accumulated.
9. Children under 10 are not allowed to do the biomarine circuit; even if they meet the age requirement, they still need to be authorised by the person responsible.
10. A credit card number is required for booking.
11. Payment policy: The hotel reserves the right to charge the full or partial amount of the stay two days before arrival, on the card number provided upon booking.
12. On the official check-in day, the room is not available until 15:00 h.
13. Check-out before 12:00 h. Late check-out upon availability.
14. Transfer service available upon request. Please see rates.
15. Cancellation charges and date changes are not refunded.
